For sale one and two bedroom flats in a new complex in Becici.

The flats start from a studio of 30m2 to a two-bedroom flat of 120m2

All flats have stunning panoramic sea views.

The flats will be finished to a high quality.

Parquet in the rooms, ceramics in the bathroom and corridor, air conditioning.

Under the building there is a space in the underground garage, which can be purchased for an additional amount.

The complex will be completed in December 2024.
